Important, please note:

- All items must be new.

- Do not wash any of the items as they will be considered used.

- Please remove all packaging, unless otherwise specified above.

- All emergency kits are carefully planned to make them usable in the greatest number of situations. It is important that kits contain only the requested items - NOTHING MORE.

- DO NOT include any personal notes, money, or additional material in the kits. These things must be painstakingly removed and will delay the shipment.

- The United Methodist Committee on Relief (UMCOR) requires that all patriotic symbols be removed from the kit contents. For example, if an item in a kit has a stamp that contains the American Flag, that stamp must be removed, covered or blacked out.
