

## McFarlin Project Update

3/17/2023

### This Past Week's Actions:

#### **Missions Center Project:**

- Form and pour footings

#### **Infrastructure Project:**

- Contractor's questions being addressed and clarified

#### **Roofing Project:**

- Completed removal of shingles from East and West sections of Sanctuary roof
- New shingles began arriving

### Next Week's Actions:

#### **Missions Center**

- Form and pour elevator pit
- Form and prepare to pour slab

#### **Infrastructure Project:**

- Follow up with contractors to address questions.

#### **Roofing Project**

- Removal of shingles above the Southwest entrance on Apache
- Removal of shingles on the West side of the classroom building roof

### Areas Impacted:

- At times, shingle removal work will be above the Southwest entrance on Apache. We are working with the contractor to avoid creating any safety issues.
- Enter the alley from Webster to avoid construction equipment
- Playground area adjacent to the New Missions Center must be evaluated day by day. Check with the on-site superintendent prior to use.
