

Confirmation Schedule & Information 26-27

We can't wait to share this faith formation experience with all of you this coming school year! We have made a few adjustments to the traditional Confirmation schedule this year, so be sure to read it in detail and mark your calendars.

What you put into this program is what you will get out. Each class will draw your student deeper into their faith journey and give them the tools to make their faith their own amongst a community of young people just like them. This is a sacred time for all involved, so we hope your family will prioritize attending as many classes as possible.

Fall semester consists mostly of **monthly meetings** where we give students historical groundwork of the Christian faith. In the Spring semester, we dive into theology using the historical framework we've learned in the fall. **We meet much more frequently in the Spring.** This all leads to the students crafting their own statement of faith as a class and taking membership vows and receiving the sacrament of baptism if they have not beforehand.

We will have occasional parent meetings to go over what your students are learning and how you can continue conversations at home. Please follow the link below to sign up for the Confirmation Newsletter and GroupMe; all changes to scheduling and other important communications will be sent through these channels. Thank you for your support of your student and welcome to Confirmation!
